

**NORTH TEXAS
HEALING CENTER**

UPDATED POLICIES AND PROCEDURES

First Name: _____ Last Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Phone: _____ Email: _____

North Texas Healing Center has updated clinic policies and procedures due to the pandemic of COVID-19. Updated policies and procedures are listed below.

Please read through and sign the bottom of the acknowledgement.

- Patients are **NO LONGER REQUIRED** to wait in their vehicles upon arrival at the clinic. However, if you do prefer to wait in your vehicle until your practitioner is ready for you, please call or text our office to let us know when you arrive.
- The mask mandate has been lifted by Governor Abbott. We want you to be comfortable in our clinic. Our front office staff will remain masked at all times, and if you prefer, your practitioner will wear a mask during your appointment. North Texas Healing Center will not be providing face coverings/masks to patients.
- Phone appointments will be made available to those patients that are uncomfortable with coming into the office for their appointment.

*By signing your name below, you are stating you have received **North Texas Healing Center's** updated policies and procedures and that you will abide by these updated policies and procedures.*
